

## FILTRATION series:

### AQFilterUTSI \_\_ Filtration Plus Scale Inhibition For Softener Restricted Communities

Model No. AQFilterUTSI-35

#### Who Loves It?

Designed For Water Lovers who want the Ultimate in Home Filtration with Optimized Scale Inhibition

AQFilterUTSI Synergizes Granular Activated Carbon (AQFilterMaxUTSI-35) or Virgin Activated Catalytic Carbon (AQFilterMaxUltimaUTSI-35) with UTSI Technology Partner Media • Addresses Chlorine or Chlorine Plus Chloramine Care Plus Optimal Scale Inhibition • Premium Hard Water Protection Meets Standards for Softener Restricted Communities • Addresses Particulate, Sediment, Chlorine, Chloramine (Ultima series) Water Off-taste, Odor • UTSI Technology Induces the Formation of Microscopic Calcium Crystals • Calcium Crystals Work to Bind Hard Water Minerals Together, Isolating them from the Water Temporarily • Reduces Limescale Build-up and Etched Hard Water Spotting • Note: Wipe up Spots as Soon As They Occur for Maximum Protection • Designed for Softener Restricted Communities.

#### MODEL

#### DESCRIPTION

AQFILTERUTSI-35

AQFILTERMAXUTSI-35

Part No. AQFilterMaxUTSI-35

Fits: 1" - 1-1/2" Line Protection

Dimension: 62"H x 13"D

Media: 2.5cuft GAC and UTSI Partner Media

Details: High Flow Tank Design, Self Standing, Installs In or Out - Computer controlled valve backwashing  
Advanced Technology Filtration with Chlorine, Off-Taste, Odor, Scale Inhibition

AQFILTERMAXULTIMAUTSI-35

Part No. AQFilterMaxUltimaUTSI-35

Fits: 1" - 1-1/2" Line Protection

Dimension: 62"H x 13"D

Media: 2.5cuft Catalytic PLUS Coconut Shell Carbon and UTSI Partner Media

Details: High Flow Tank Design, Self Standing, Installs In or Out - Computer controlled valve backwashing  
Advanced Technology Filtration with Chloramine, Chlorine, Off-taste, Odor, Scale Inhibition

#### FILTER REPLACEMENT INTERVALS EVERY 5 - 7 YEARS

#### MODEL

#### DESCRIPTION

AQFILTERMAXUTSI-35

2.5cuft Coconut Shell Carbon/UTSI Scale Inhibiting Partner Media

AQFILTERMAXULTIMAUTSI-35

2.5cuft Coconut Plus Virgin Activated Catalytic Carbon/UTSI Media
